COMMENTS FROM THE TOWN MANAGER'S OFFICE

The ten day tax lien notices are being prepared and will be mailed the first day of June. The liens will not be filed until the third week of June so the delinquent taxpayers will have almost twice the required time after the notice is sent. There are about ninety real estate owners who have not paid their 1963 tax. If past years' records are followed, half of the taxes will be paid and liens will go on the other half.

The Town Road Improvement construction for 1964 will be on two roads this year. Part of the construction is planned for the Franklin B. Chapman road that branches off from the North West Bethel Road. The remainder will be spent on the Hot Hill Road that branches off from the Middle Intervale Road. Both roads are quite steep and very hard to plow. The Town Road Improvement Funds are given to towns for the purpose of improving town roads. The town has several dead end roads with only one or two homes on them. The number of people served is about the same in each case so the major reason for expending the money on the above listed roads is

to improve the plowing conditions.

The State Aid Construction for 1964 will be on Route 35 and will continue on from the end of construction in 1961. Since 1961 the State Aid work has been on the Sunday River Road and on Vernon St. It is hoped that Route 35 as far as the town line can be completed in the next two summers.

STATE CIVIL DEFENSE TURNS DOWN MANY REQUESTS FOR FILM

Lester I. Heston, director of the Maine Civil Defense and Public Safety Agency, has announced that due to the increased demand for the new Civil Defense film "About Fallout" and the few copies obtainable, it has been necessary to turn down many requests for this film. He also noted that the Department of Education in Augusta has several copies and has been extremely cooperative in supplying Civil Defense in all of their requests.

He said, "The CD film 'About Fallout' is a 16mm color film that clearly explains the story of radioactive fallout in simple terms, what radioactive fallout is and how we can protect ourselves and our families from the 20th Century danger."

Maine people have shown a high interest in this problem, and that is the reason that Maine ranks first among the Nation for films in Civil Defense preparedness.

HANOVER TEACHER
HONORED

Two hundred and twenty-five relatives, friends and neighbors attended the testimonial for Mrs. Edna Holman, Hanover, who is retiring after 21 years in the teaching profession and 14 of those in Hanover school, which is being closed at the end of this term, Friday night, May 22 at 8 p. m., at the Top Hat, Hanover. The hall was beautifully decorated by Mr. and Mrs. Frank Worcester with a huge shell in rainbow colors, and streamers of like color, caught at the edge of shell and forming a canopy over the seat of honor.

Organ music was played throughout the evening by Mrs. Richardson's niece, Miss Linda Paine of Bethel.

After singing the guest book in charge of Mrs. Cecil Lapham, the guests were escorted and seated by the following usherettes: Alice Penney, Adrienne Cature, Margaret Oak, Elaine Cature, and Linda Paine.

A color guard, composed of present pupils of Hanover school, namely: Elizabeth Burrows, Janice Haskell, Deborah Lamm, Michael Gross, Jennifer Reed, Cynthia Brown, Cynthia Goddard, Terry Harlow, Elaine Howe, Norman Ferguson Jr., Christopher Howe, and Brian Thomas. The boys wearing red cummerbunds and the girls wearing wreaths of white daisies, formed two lines to the seat of honor, and Mrs. Holman, escorted by Stephanie Penney and Mr. Richardson, came down the aisle formed by color guard to be welcomed by Roger Tucker, master of ceremonies.

Following Mrs. Elizabeth Barker, bearing a beautiful white carnation on a white satin cushion, a gift from Mrs. Richardson's youngest sister, who could not be present. The color guard, each in turn alternating from center presented the guest of honor with a red carnation and a few remarks.

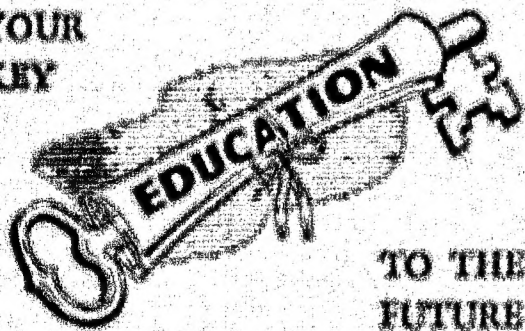

Greetings and appropriate remarks from the following: Edwin L. McManis, Superior section of Bethel, Norman Ferguson, Jr., first usherman, Mrs. Haver Howe and Norman Ferguson, Jr., school committee. Letters were read from Gov. John H. Reed, Commissioner of Education Harold S. Noyes, and President of Farmington State Teachers College, Dr. and Mrs. H. H. Reed.

A short play, "Secret of the Hammer," by Tracy 703, Tuna McPherson, Jerry Harlow, Malinda Howe, Elaine Howe, Barbara Harlow, Gerry Ann Harlow, Brenda Harlow, Cynthia Brown, Cynthia Goddard, Janice Haskell, Terry Harlow, directed by Mrs. Harlow Howe, and Mrs. Harold Haskell.

Complimentary messages received from former pupils, were presented and a few words, also a poem by Mrs. Alana (Paine) Paine of North Portland.

SUNDAY RIVER

Mrs. R. M. Fleet, Cor.

Mrs. Lina Reynolds is spending a few days with her daughter and husband, the Eddie Days.

Tammy and Alan Fleet had upsets from their colds last week.

Mrs. Jane Young had the flu so could not be with her son as much as she would of liked, while he was in the hospital. But he is home now and doing nicely with a private teacher so he will not miss his grade in school.

Many were in town for just the ride to cool off or picnics over the week end but my sight is not so good as to identify them now days.

Saturday was a day for cats and dogs to go for rides. Many did not like it as it was so hot for all. There was some very beautiful pets there to be vaccinated. We hope all were successful as so many small children love their pets and would be sad to lose them or even the dangers of taking the infection from the pet.
